ADDITIONS

Dual Bearing Drawers

Our DBD Drawers provide heavy-duty, modular storage for Aluminium Ute Canopies. With a 125kg load capacity, and smooth, secure operation.

Heavy Duty Slides

170kg-rated Heavy Duty Slides with approximately 90% extension, locking function and versatile capability.

Ute Canopy Specific Shelving

Ute shelving designed to integrate with canopies and drawers, providing quick and organised access to tools, parts and equipment via side windows.

Roof Rack System

Upgrade your Roof Rack System with additional Heavy Duty Bars for the Vehicle Body.

Mirror Monitor Reverse Camera

This constant camera acts as a rear-view mirror, restoring the visibility behind your vehicle.

Caddy Parts Storage Drawers

Modular CPS Units for tools and small parts, available in five heights and multiple drawer configurations.

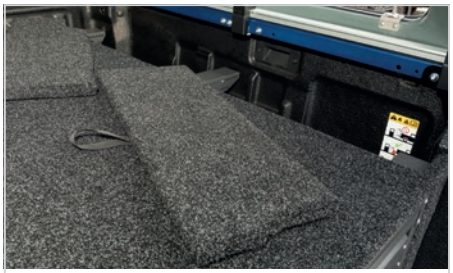

Flooring

Durable Rubber Flooring provides a secure, non-slip surface for working or resting equipment in the tub or on your tailgate.

False Flooring

Completely customisable. Our False Flooring is made to suit your requirements. Built from a steel tube frame and a 17mm formply top, with an optional rubber or carpet finish.

Side Infills with Removable Lid

Create pocket storage between the wheel arches and Drawer / False Floor Frame, maximising storage space within the tub.

ALUMINIUM UTE TRAY (DUAL CAB)

AUT-DC-1900

Standard factory features include:

- 76mm Tube Headboard with Mesh Panel
- 250mm High Side and Rear Drop Downs
- Tail Light Protection with Number Plate Bracket
- Mudguard and Mudflaps
- Available in Aluminium or Black Powdercoated Finish

ADDITIONS

Trundle Drawer

This 1700mm Drawer increases storage capacity by utilising the space between the tray and chassis.

Underbody boxes

Powdercoated Ripple Black, and available with a Flat or Angled base.

Mirror Monitor Reverse Camera

This constant camera acts as a rear-view mirror, restoring the visibility behind your vehicle.

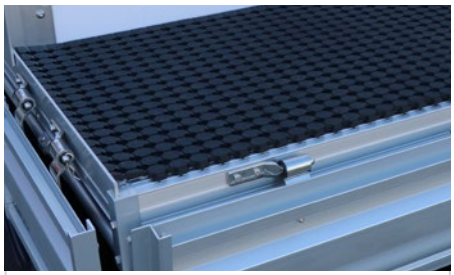

Ladder Rack

With our optional rear Ladder Rack, increase your carrying capability for ladders, conduits, timber, pipes and other long materials.

Toolboxes

Built for the trade, Caddy Toolboxes offer flexible storage with customisable fit-outs and durable finishes.

Perforated Rubber Mat

Heavy-duty 10mm rubber flooring with a high-grip texture, drainage holes and no-adhesive installation for easy maintenance.

Grab Handles

Improves safety by providing a secure support for easier access to your vehicle. Fixed to the sides or rear of Ladder Racks and Toolboxes.

Side Steps

Side Steps provide easier and safer access to equipment and cargo.

Water Tank

Underbody Water Tank with Soap Dispenser.

SERVICE BODY (DUAL CAB)

ATTC-DC-1820

Standard factory features include:

- 5mm Ribbed Rubber Flooring
- 3 Door Central Locking
- Whale Tail Locks
- Gullwing Side Doors
- Lift Up Rear Door
- Internal Roof Frame Supports
- Door Activated Internal LED Lights
- Powder Coated Ripple White or Black Finish

Available in both 860mm and 1000mm high models.

KIA PV 5 VAN

PRODUCTS AND ACCESSORIES

VAN SHELVING

VTK-KPV5

Standard configurations include:

- Driver Side Front Unit: 850mm W x 1370mm H
- Driver Side Rear Unit: 1080mm W x 1370mm H
- Passenger Side Rear Unit: 1080mm W x 1370mm H

Terms and Conditions

For full details regarding our Terms & Conditions and Warranty information, please visit our website. Here you'll find the latest information relating to our products, services and warranty coverage.

SHELVING ACCESSORIES

Plastic Bins

Plastic bins are ideal for general small parts storage. Made from impact-resistant polypropylene, they're durable and flexible to prevent shattering.

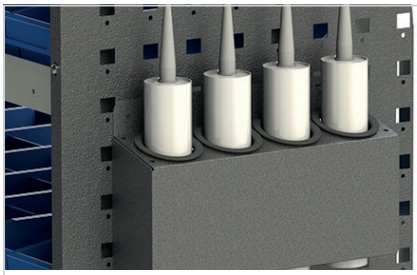

Lockable Doors

Lockable single or double doors to secure items, suitable for any shelf, excluding the top shelf on kits.

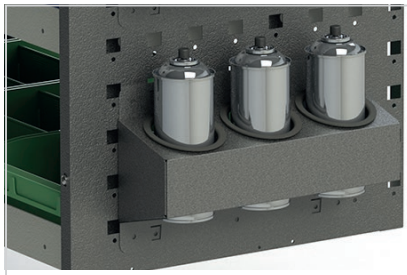

Cable Shelf

We remove the bottom two rows and replace it with a cable shelf. The shelf matches a cable reel shape, preventing unnecessary movement while travelling.

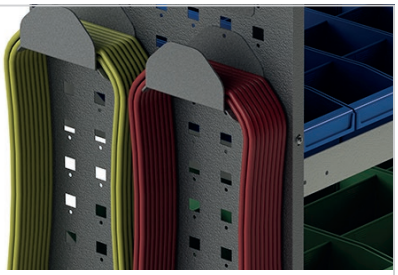

Silicone Tube Holder

Silicone tube holders can be mounted onto any position on our shelving unit end panels. Can hold 4 or 8 silicone tubes.

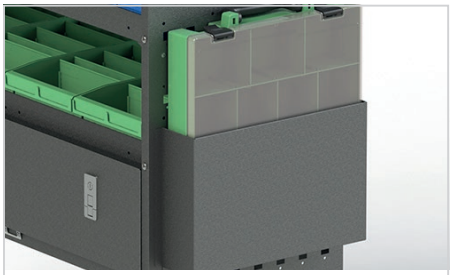

Spray Can Holder

Spray can holders can be mounted onto any position on our shelving unit end panels. Optional version with 4 silicone tube holders available.

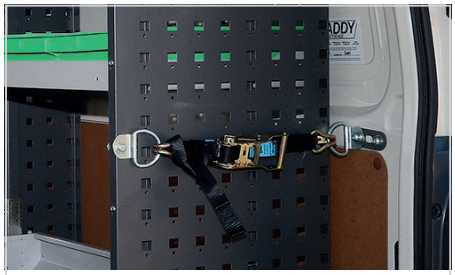

Extension Lead Holder

Extension lead holders allow you to hang multiple sized leads from your shelving unit.

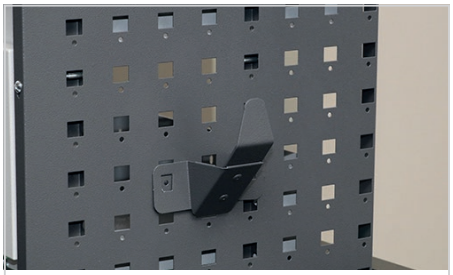

Carry Case Holder

Single carry case frame positioned on shelving end panel, carry case included.

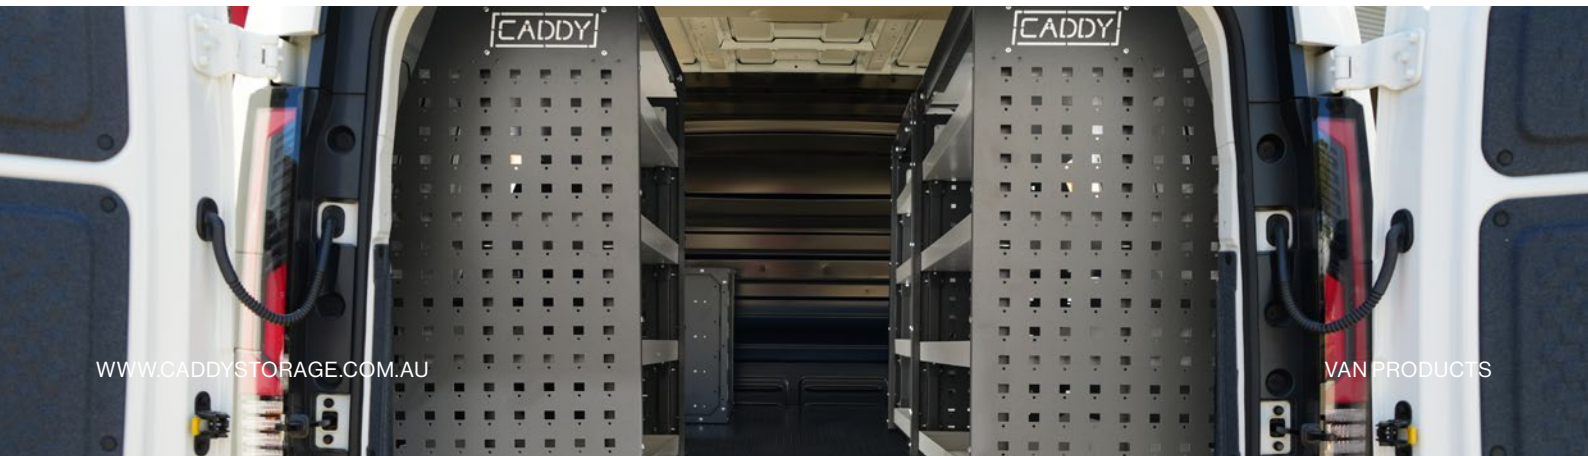

Straps

Various sizes of cam lock buckle and ratchet straps are available to secure your items.

Carrying Hook

Carrying hooks can be mounted onto any position on our shelving unit end panels. Can be used to carry small cables or similar items.

VAN DRAWERS

DBD or DBT

Standard factory features include:

- 125KG Distributed Load Rating
- Available in Single or Dual Direction
- Ergonomic Locking Grab Handle
- Flush Mounted Latch for Lock Out Feature
- Cyclic Tested Bearings to Ensure Weight Loading
- Sideways Roller Bearing Guides and Adjustment
- Front Lower Locking Cross Bar Adjustment
- Removable Inner Drawer for Maintenance
- Extension Range of Sizes
- Available with Rubber or Carpet Top

Terms and Conditions

For full details regarding our Terms & Conditions and Warranty information, please visit our website. Here you'll find the latest information relating to our products, services and warranty coverage.

INCLUSIONS & ADDITIONS

Dual Bearing Drawers

Our DBD Drawers provide heavy-duty, modular storage for most vehicles. With a 125kg load capacity, and smooth, secure operation.

Twin Dual Bearing Drawers

The DBT Drawer provides access from both ends, allowing easy retrieval of tools and equipment from either side. Ideal for vans with twin sliding doors.

Caddy Parts Storage Drawer

Modular CPS storage for tools and small parts, available in five heights and multiple drawer configurations.

False Flooring

Custom-height false floors with 17mm timber flooring, optional rubber or carpet finishes, and compatibility with Caddy Drawers. Can be used for Storage.

Wheel Arch Side Infills

Used in conjunction with side infills and outriggers. Create pocket storage near the wheel base.

Additional Storage Pockets

Used in conjunction with side infills and outriggers. Create pocket storage near the wheel base.

Full Fit out with Shelving

We can install our Caddy Shelving Kits on top of our DBD Drawer for a complete fit out.

VAPOUR RESISTANT CARGO BARRIER

CB-KPV5-362VRBK

Features:

- Front Position Vapour Resistant Cargo Barrier
- Enclosed to limit gases travelling to the Cabin
- Powdercoated APO Grey Ripple

NOTE: Replaces Kia PV5 Genuine Partition, offering a well designed Cargo Barrier with Vapour Resistant quality

Terms and Conditions

For full details regarding our Terms & Conditions and Warranty information, please visit our website. Here you'll find the latest information relating to our products, services and warranty coverage.

AUTO ELECTRICAL

12 volt Auto Electrical options available

- Flashing LED Amber Lights

These can be fitted on various positions on the Kia PV5, including but not limited to:

- Rear Bumper (Passenger and Driver Side)
- Rear Barn Door opening Frame
- Front Bonnet area (in between Headlights, both Passenger and driver side)

Terms and Conditions

For full details regarding our Terms & Conditions and Warranty information, please visit our website. Here you'll find the latest information relating to our products, services and warranty coverage.

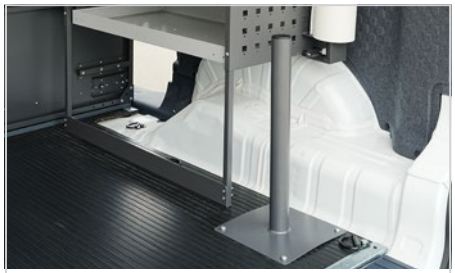

OTHER FIT OUT PRODUCTS

First Aid Kit Holder

First Aid Kit holders can be mounted onto any position on our shelving unit end panels. Can hold a small first aid kit or similar.

Traffic Cone Holder

Specialised storage solution for Traffic Cones. Traffic Cones can be neatly stacked for storage efficiency and prevents tipping while in transport.

Heavy Duty Slide

170kg-rated heavy-duty slides with 90% extension, locking function and versatile compatibility with Caddy drawers and accessories.
